Anthony Daniel Ruiz

Oct. 8, 1997 - March 6, 2022

FORT WORTH, Texas - Anthony Daniel Ruiz was born in Fort Worth in 1997. He passed March 6, 2022. He is survived by his mother, Maria Sanchez, his father, Miguel Ruiz Sr. (both Fort Worth natives), his stepfather, Arturo Alvarado, and his stepmother, Trish Ruiz, and three brothers, Xavier Alvarado, Alexander Ruiz, and Miguel Ruiz Jr. Anthony grew up in Fort Worth, having graduated from William James Middle School and Arlington Heights High School. His upbringing was typical of an All-American child. He and his older brother Miguel used to spend hours every summer playing the newest gaming system on the market; he enjoyed WWF events, museums, and team-sporting events, and was a varsity wrestling athlete. He regularly attended religious services at St. Patrick Cathedral with his grandmother Carmen Ruiz, while always being taught the value of faith by his grandmother Elizabeth Ann Sanchez (who preceded him in death). Anthony was surrounded by loving paternal and maternal families who both gathered regularly for every birthday and holiday. On Anthony's 8th birthday he was gifted a performance microphone that he connected to his boombox to sing the hooks to his favorite songs. It was then when his artistic prowess began to bloom. Through his school-aged years, Anthony was recognized several times as a regionally-ranked cello player and was a cello player in the Fort Worth Youth Orchestra. He continued to experiment with music as he and his friends performed in

indie-rock shows at venues across north Texas. Anthony's artistic tendencies were evident throughout his young adult life. He often played his guitar, bass, and electronic-keyed instruments in jam sessions either with friends or in personal performances for his family members. He worked for Fort Worth Magazine as a contributing writer of local art and culture and worked in a few of his local-favorite Asian-cuisine kitchens perfecting his favorite dishes. He even spent his leisure time experimenting with fresh ingredients and would often visit his mother, Maria, to cook special meals for her. And during one of these visits Anthony delivered one of his newest creations, an ink-on-canvas painting bearing a realistic portrayal of a rooster (his grandmother Elizabeth's favorite animal) grazing in a flowery meadow. That gesture embodies Anthony's truest self, a thoughtful creative with a kind heart... words affirmed by his mother and those closest to him. - You are invited to pay final respects at Anthony's visitation which will be held on Tuesday, March 15, from 12:00 pm through 8:00 pm at Amalla Funeral Home at 5210 McCart Ave. Fort Worth, Texas 76115. And you are invited to participate in the rosary service from 6:00 pm through 7:00 pm on the same day and at the same location. - His funeral service will begin with a Mass on Wednesday, March 16, at 10:00 am at St. Patrick Cathedral at 1206 Throckmorton St. Fort Worth, Texas, 76102. At the conclusion of Mass at roughly 11:00 am, the funeral procession will then move to Greenwood Funeral Home at 3100 White Settlement Rd. Fort Worth, Texas, 76107 where Anthony Daniel Ruiz will be laid to rest. - The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. - Psalm 23

“ Siento mucho el fallecimiento de su ser querido. Es un dolor muy profundo que deja un vacío en nuestras vidas y corazón. Dios mediante su palabra la Biblia nos da consuelo y esperanza de poder reunirnos con ellos aquí en la tierra cuando vuelva a ser un paraíso como en el principio de la creación con Adán y Eva antes de pecar. Como lo sabemos? En el libro de Salmos 37:29 Dios promete y nos asegura: Los justos heredarán la tierra y vivirán en ella para siempre. Como pudieron leer es aquí en la tierra adonde resucitará la gran mayoría de los millones de personas que han muerto junto a sus familias y amistades para vivir para siempre aquí en la tierra. Que esperanza tan maravillosa! Como sabemos que nuestros seres queridos resucitarán aquí en la tierra? Dios nos dice y nos hace esta promesa que se encuentra en Juan 5:28, 29 (a): No se asombren de esto, porque viene la hora en que todos los que están en las tumbas oirán su voz y saldrán. Cuanta emoción! Podremos reunirnos con nuestros seres queridos igual que Jesús hizo con Lazaro! Que dice la palabra de Dios la Biblia que debemos hacer para estar allí y recibirlos? Por favor escribanme a mi correo electrónico o visitando a JW.org y pidiendo un estudio gratuito de la biblia. Con mucho gusto lo ayudaremos. Deseo de todo corazón que estas palabras les traiga consuelo y esperanza de las maravillosas promesas que Jehová Dios y su hijo Jesús tienen para nosotros en un futuro muy cercano.

“ Anthony, I will miss you for the rest of my life. You were the bestest friend I could ever ask for. I miss having wine with you. I miss visiting museums. I miss when you would send me songs. I miss eating Thai box together. I miss your jokes. I miss discussing politics with you. I miss having you around. I miss forcing you to let me drive all the time. I will never forget how talented you were. How you made music. I'll never forget when you would come over and cook for me. I'll never forget when we would FaceTime all the time after work and when you'd come over. I still have the knife you gave me a few months ago. I'm never getting rid of it. I still have the sweet gifts you gave me. I will never forget when you hung up my shelves for me and how crooked they are. I love those crooked shelves now. I still laugh on how you would wear my pajamas when you would stay the night 😭 I miss when you would bring me a Diet Coke and sour straws. I miss everything about you. I'll hold you in my heart forever. You left so much good in this world. I hope you could see how much we love you. Thanks for being my best friend for 10 years. Until we meet again.

“ My nephew, my Chubbs!! Aunt Mona will forever miss you and I'll always think of you as I prepare a meal for our family or try a new recipe. I can hear me asking you as a kid Does Aunt Mona cook good a little bit or alot?? And you'll smile with your smile and say a lot! Then I ask do you love Aunt Mona a little bit or a lot? With your smile and silly voice you'd say alot!! Then you'd hug me and run off to play with the kids. I love you always and will always miss you 💙
