“ *I have a soul image memory of you and always will. Intelligent, observant, honest, determined. You are the only true blue friend my son had in so many years and I know this with my heart to be true. I was hoping with everything you would live to be the healer of hearts, the watcher, and some day pastor I saw in a dream many years ago, and so really you were the whole time....*

You will be missed and more than words can possibly say.....and you will positively never be forgotten.

You are now like the Angels and have your eyes on all of us.....your family, your friends and so many that...will someday realize how special you are then and now.

Sincerely...

Alasandro L.B.

“ *May God give you comfort at this most difficult time. Psalm 46:1 tells us He is our refuge and strength and is a help in times of distress. You have my condolences as you deal with your loss.*
