“ *My condolences to the Molina family. Christian was one of the first friends I made when I moved to Westcreek in 3rd grade. Ms. Ransom was tough. He was smart, cool, and gave me my first ever pokemon cards. I still remember how we rode the bus together, and we'd visit eachothers house. I played my first game of say uncle with Christian. He won. As we grew older, although we didn't talk as much, we always had this sense of mutual respect towards one another, the kind of respect you have for a childhood friend. I know they say you're not supposed to have regrets in life, but I'd be lying if I said I didn't. I will always remember you, it saddens me knowing you've gone, but I'll hold on to these memories youve given me. I hope to laugh again with you someday, my dear childhood friend.*
