“ *My Dearest wife,  
It's been two years now since you've been gone, yet not a single day that passes by without remembering the time we spent together with our families.*

*'Not sure why only now I'm writing this, but today I woke up @ 3:59 am and the first thing that came to mind was your anniversary.*

*Looking back, I wish I should have spent more time with you, but then again, when is time enough? Sometimes we get so busy earning a*

*living when one day it's going to be taken away...I guess that's life... but all in all I have no regrets as it is.*

*Your two boys are steadfast in their faith in GOD, solid as you have thought them, raising them up in the fear and nurture of the LORD. As for me, so thankful to GOD, that you came into my life...*

*FOREVER GRATEFUL TO ALL THE THINGS YOU HAVE DONE FOR ME..*

*YOU WERE A GOD SEND PARTNER IN MINISTRY & THAT I KNOW!!!!*

*I LOVE YOU ALWAYS,  
BOB*

“ Not a day goes by that I don't think of you and what you taught me... or wish that you were here to see the man that I've become... that you helped mold/shape. I will always love and cherish the memories you created for me and can only hope that I can show others the love you taught me. I miss you Mom.

“ Hi Auntie Elvie,

*I don't know where to start, but I wanted to thank you for introducing me to God. I know that's who you are with. At least you will no longer feel pain and suffer.*

*As I am writing this letter, I have a lot of memories with you. I know I get in trouble a lot and you always told me to stand in the corner because I was makulit. You picked us up after school many times. As kids, there were numerous times when you would type our book reports right before going to school because Jayare and I did it last minute. Who does that right? Even though I was only your nephew, you treated as one of your own.*

*Now, as a man, there are a lot of things I do, today, that I learned from you. I would not be as neat and clean.*

*I learned to:*

*Keep praying even for a parking spot*

*Vacuum with the lines of course*

*Iron clothes*

*Fluff and fold*

*Make my bed*

*Baking, especially mocha rolls*

*Clean thoroughly*

*Make Rice Krispy treats*

*You truly were a blessing in my life as well as many others. I love you Auntie.*

*Love always,*

*Junior*

“ *My Dearest Sister Elvie, There is so much memories and Spiritual Blessings in life you shared and thought me and the family, God used you that I will have Salvation and life Spiritually. I will always remember till the day the Lord takes me that your life here on earth was used to share and spread the Word to so many lives while you were living, the passing of those little tracts even when you were not able anymore. Even when you were just sitting in the car while waiting, you pass those tracts to the passers by, you never wasted time, you do it whenever you have a chance to do so. Your Love for God, I remember you always wanting to be dropped off at church to do whatever needs to be done even you were by yourself there all day; cleaning, arranging, planting outside the church garden, talking and sharing with the homeless people that goes to the church, you were never afraid to help them at all times. There is so much more to remember of all the things you've done to so many lives you've touched. And now that you're with our Lord up in Heaven, here I am remembering all those things you've done. I've started and will continue the passing of the tracts to many more people that needs the Lord or even just to those who are going through tough times or whatever it maybe that they're going though in life. I pray that I may be able to do more of all the many things I've seen you did for the furtherance of the Gospel for our Lord Jesus Christ. I'm also remembering all the times you took me in your house and your family whenever I would come here in California or back in Hawaii when I'm going through problems, even when you cared for Junior and or Dennise at a time when I needed you most. I Love You Dearly Elvie and I am forever grateful... I will see you in His appointed time soon..... your sister, me*
