Eulalia (Lala) Flores was a beloved wife, sister, and aunt. People may think her passing is her losing the

battle against cancer but no it's her winning the battle because she is now at peace in heaven with no pain or suffering. She is reunited with her grandma, nephew and her baby that she loved so very much.

Lala was such an outgoing and friendly person; she was always willing to help you with whatever you

needed. She was the type of person that would give you the shirt on her back never expecting anything

in return. She will be dearly missed by her family and everyone who loved her.

The family would like to thank you all for all the prayers, love and support that was given to Lala; and a

special thanks to her best friend Rebecca Lopez for taking time out of her busy life to be there for Lala

and doing all that she could for her. The family would like to give a very special thanks to her husband

Emanuel Flores for always sticking by her side and always being there for her till her very last breathe

you are very appreciated.
