“ Me ,Butchy, and Becky at our last lunch together at Sweetie's Pie. You know I actually thought I was fine and came to the reality that he's gone, however yesterday Roy was holding me and then I screamed and cried out loud! I don't think I ever cried like that before except for the loss of my 3 babies. Anyhow it felt good to let them tears roll and then we talked and remembered all the good times with him! Brother you will forever be missed tremendously! However the joy, laughter and convos are my memories that we will forever cherish! See you when it's time brother. We Love you!
