“ *I knew Jesus in choir at WTW High School. He was always so passionate about singing and music, always so handsome, funny, nice, and such a great singer. I'm sad to hear of his passing. Thanks for including him singing at the end of the tribute video. It was nice to hear his singing voice after so many years. My sincere condolences to his family and friends. ~Joanna Lane*

“ Well I am still in some shock but have to force myself that it is true. You have gone home to be with our Lord. I hope your welcome home was as grand as we dreamed it would be. I hope Mom wrapped her arms around you and send "Welcome Mijo, your race is over". I got it from here Boy. You are free now to run the streets of Heaven. I will miss our phone calls and visits. I will miss the songs you sang on my birthday and holidays. Most of all I will miss my brother. Love you always Boy and I will never forget you. Your sister always - Angelina. PS - Give Mom a kiss and hug. POPO and Uncle Joe too.
