“ I am so glad that I was able to attend the memorial service today. I will always cherish the time spent with Phyllis, Becky & Rod during our days at Paschal. I had forgotten that he was named the World Champion fire & sword twirler back in 1973! He was such a kind & talented friend. Missing all three of them today. 🥺

“ I will always remember talented Rod twirling his baton, but a more lasting memory is one of his marvelous smile and gentle spirit. Thanks for sharing your loved one with us Paschalites. Elaine Shaw
