“ Joe Garcia came to work for my company, Metroplex Screenwall Inc, in the mid to late 90”s. He was introduced to the hardscape business and progressed into a supervisor position. I was fortunate enough to get to know him on a personal level. Joe loved his family. For the next 12-15 years he became an integral part of our management team, I retired my business and passed the torch to North Texas Masonry where he continued his career. Joe was more than an employee to me, he was a trusted friend that loved his family.

*Until we meet again,  
Tim and Lora Clancy*
