“ *Tía Lucy we will truly miss you forever and always and your memories will last a lifetime time. When I see your gardens I will think of you, when we gather as family I will think of you, missing your food on the table, your famous strawberry banana cake that we all loved!! I will miss your home remedies to life, your crafting always showing us what you were working on next and your laughter. Most of all I will miss your hugs that were always the sweetest and how you always wished us well in life. I'm sad you have left this earth but know You are now resting in peace 🕊️📺... love you always!*

“ My sweet Tia! You will truly be missed I will always remember all your advice that you shared during all of our pregnancies and after we gave birth and your sweet love that you always shared! The love you shared for my Tio is one of a kind you always laughed at his jokes and supported him no matter what! You cared for others to no end and made sure you always told us to take care of our selves. Love you and we will miss you so much!
