“ *El primer día de Kinder conocí a Mayra. Ese mismo día le pregunté si quería ser mi mejor amiga y digo que si.*

He conocido a Mayra casi 30 años de mi vida. Ella siempre fue la más gentil, amable, cariñosa y en todas formas una buena persona. Siempre decíamos que íbamos estar en todos momentos de la vida, como buenas amigas.

No hay palabras para la pérdida de Mayra, aunque últimamente nos comunicábamos por mensajes era una conversación frecuente.

Mis mas sentido pésame para la familia de Mayra que dios les de fuerzas para sobrellevar esta pérdida. Recordaré siempre a mi Mayrita.

“ *Everyone can agree that you were so smart, so gracious in whatever you did, and beautiful inside/out. I could go on and on about what an incredible friend, mother, and person you were. I doubt I'll ever meet anyone quite like you!*

After all these years since we first met in the tenth grade, I'm glad that we stayed in touch. I will always be grateful of our friendship. I will miss you deeply! ☐

“ Raul and Manny, we are so sorry for the loss of your daughter Mayra. Raul, I still remember some of the funny stories you told me about Mayra as a baby and little girl. I remember you told me she would speak very clearly even as a baby and from her crib she would call out, hello, I need more juice!! It was clear she was one of your greatest sources of pride and joy from day one. Our thoughts and prayers are with you and your family. Love Darla

“ *Mayra, it's so hard for me to write this. But anyone that knew you, knew that you were the most thoughtful, caring, blissful, and understanding person. We became family so long ago and I'm forever grateful for you. From the conversations we would have to just getting to hang out at your house and laugh and talk. You were such a beautiful person inside and out. I will miss you deeply and keeping your whole family in my prayers.*
