DO

“ Rick was a great guy with a heart of gold. He would, as the old saying goes, give you the shirt off his back. He was always willing to help those that needed it. I know he loved his family ('s) very much. I'll always remember the good times at work or playing softball or golf with him. He was always fun and entertaining to be around ! I'll definitely remember those times, that Rick.

I Believe this life is short & temporary and goes by so fast !! I know that I'll soon be seeing Rick again. I'm looking forward to it. Rest in Peace my friend. Your in Great hands for Eternity.

See you soon my friend.
