“ *My condolences to my brother-in-law Gilbert Sanchez and the entire family. I was married to her brother, Louis, before he passed away. I know Louis, Johnny, and her parents were waiting to greet her as she entered the Gates of Heaven. I will miss my sister-in-law, Rosa.*

“ One of my dearest & longtime friend from the Loma neighborhood. Espinosa had ten children & Rodela's had eight. I knew Louis first before meeting Rosa and life took on a different twist. She had Anna & 'lil Tony. Single mom & full of life. We went to dances, family time & other events. Life went on where we both furthered our families, meeting up again when Annette was a teen. With each cycle, our father's worked together, Rosa had school age siblings that matched ours till California called her parents. Then the 3rd generation schooled together. Even apart, we could catch up by her say or me saying "remember when?"

I can & won't let go of those memories of this one amazing, dominate but endearing person that her family didn't always know her younger life. You all know the living mom you have & she friended & remembered everyone. Thank you again for shar6your mother with all who knew & understood her.

Love all of you even if I don't know the newest generation.
