“ My memories of you will forever be etched in my heart. I often recall your home as my childhood home telling stories to my kids about how big your laugh was, and how you often scared me with your eyelid trick. I also selfishly thought you’d forever be there. I’ll love you always and I’ll pray for you often as Mary and Mom taught us. Give Mary a big hug and kiss for me Tata. Until we meet again. Rest in peace. I love you.

“ *Tata was a gem. Even though he's my daughter in law father we knew him as a compassionate and loving individual. Always enjoyed spending time with him and feeding him. We will miss his presence when we visit. Rest our friend, rest. Your life has come full circle and your wings must be beautiful.*
