“*Yolanda, you were a wonderful aunt and will be missed by many. Your brother (my father) cherishes many memories with you. When I asked if he wanted to say anything to you via message, his eyes began to fill with tears and could not speak.*

*My last memory of you was from years ago, when we met by chance at my grandparent's house in Mexico. We almost missed each other as you had just arrived and I was leaving. You've always been good to me and my family. I was devastated to hear the news, as was everyone else.*

*We take comfort in knowing that while you've left us here on earth, you've joined to rest of our family among the heavens and will greet us when we arrive.*

*Til we meet again dear aunt. May you become another guardian angel for us.*
